MEMORANDUM FOR: Chief, Finance Division

ATTENTION : Compensation & Tax Accounts Branch
Room 6-E-65, Headquarters Building

SUBJECT : Change in Post Differential Rate at a Classified Foreign Field Station.

1. In November of 1960, an OEA (then DID) Foreign Field Station was established within a 20% post differential area. Due to factors existing at the time, it was administratively determined that the post differential rate would be 15%. This division has recently completed a post survey and re-study of this area and the operating officials have deemed it advisable to adjust the post differential to its authorized rate of 20%, effective 1 July 1962, ie, the beginning of the first pay period following 1 July 1962.

2. You will be advised by subsequent memoranda of the names of personnel whose compensation is affected by the above stated determination.
